

Notification regarding employment of EU citizen with a pre-approved Faroese employer

What can you use this form for?

This form can be used by EU citizens who want to apply for a residence and work permit in the Faroe Islands, based on work at a company that is **pre-approved for the special EU Scheme in the Faroe Islands**.

The form can be used for these types of notifications:

- Notification regarding a new employment (first time application for residence and work permit)
- Extension of a residence and work permit

Notification is part of a special scheme for EU citizens applying for residence and work permit in the Faroe Islands. A permit can be granted when the unemployment rate in the Faroe Islands is below 3.5 pct. However, within the construction industry, residence and work permit is granted to individuals seeking employment as ordinary skilled labour in a specific trade when the unemployment rate is lower than 6 pct.

Notification regarding the specific employment can be used, if:

- The employer is pre-approved for the special EU Scheme in the Faroe Islands.
- The position is covered by a Faroese collective bargaining agreement to which the employer is a party.
- The position is for at least 30 hours of regular employment per week.

Notification can also be used by specialists, researchers, educators and senior officials whose salary and employment terms are determined by an individual employment contract, if the employer is pre-approved for your specific work functions and/or job category.

The employer and employee must jointly notify the Immigration Office by completing and signing this form.

How to apply

1. **The employer** (the company) completes **Part 2** of this form and signs in section 16 (follow the instructions in the form)
2. **You** (the employee) complete **Part 1** of this form and sign in section 10 (follow the instructions in the form)
3. **You** enclose the required documentation
4. **You send or submit the entire form** (parts 1 and 2 and any required documentation) to the Immigration Office in the Faroe Islands or submit the form to the Faroese police. If you live abroad, you can submit the notification to a Danish diplomatic mission in your country of residence. You must bring your original passport for identity verification

Which documents are required?

You (the applicant) must enclose the following documents:

- Copy of your passport – this includes all of the empty pages, as well as the front and back cover of the passport. **Please note** that your passport must be valid for at least 3 months after your planned departure from the Faroe Islands.
- Copy of **educational documents** and **authorisation** (if required) if you are submitting a first-time application.

Please note that all submitted documentation must be in either Faroese, Danish, Norwegian, Swedish, or English. If this is not the case, the documentation must be translated into Danish or English by an authorised translator before submitting the documentation.

When can I start working?

If the application meets the requirements for a residence permit, the EU citizen can start working immediately after notifying the Immigration Office. It is **your** responsibility to prove that the notification is submitted. If the notification is submitted to the Faroese police or the Immigration Office, you will receive a receipt. If you start working before notifying the Immigration Office, you will be working illegally, and you and your employer risk being subject to a fine or imprisonment.

C. Information on how we process your personal data

The Immigration Office is obliged to inform you of how we process your data, and to inform you of your rights in relation to our processing of data about you.

Data controller

The Immigration Office is the data controller and is responsible for processing the personal data given in this application form, and the data provided about you during the processing of the case. You can contact the Immigration Office by writing to the following address: The Immigration Office, Skálatrøð 20, PO box 264, 110 Tórshavn, or via email: info@utlendingastovan.fo.

Data protection officer (DPO)

You can contact our Data Protection Officer (DPO) by writing to the aforementioned address (Att. Data Protection Officer). You can read more about the Immigration Office as data controller and about our Data Protection Officer (DPO) at www.utlendingastovan.fo/en/about.

Purpose and legal basis

The personal data you provide to The Immigration Office is collected and used:

- to process your application for a residence and/or work permit in the Faroe Islands
- potential later applications for an extension, or for a new residence and/or work permit in the Faroe Islands
- for verification and spot checks of the conditions for your residence and/or work in the Faroe Islands

The legal basis for processing your personal data is:

- Decree of commencement for the Faroe Islands of the Danish Aliens Act (the Aliens Act), in particular chapter 1 on the entry and residence of aliens on the Faroe Islands.
- Act no. 462 of 17 June 2008 on the access of aliens to a residence permit in the Faroe Islands with a view to certain types of employment.
- The Faroese Data Protection Act, section 8 (1) (iii) (relating to the processing of data in order to comply with the legal obligation to which the controller is subject), and section 8 (1)(v) (relating to the exercise of official authority vested in the Immigration Office by the Aliens Act).
- The Faroese Data Protection Act, section 12 (1)(vii) (relating to the necessity of processing in order to establish, exercise or defend legal claims).
- The Faroese Data Protection Act section 13 (relating to the official authority only being allowed to process information about criminal offences if necessary for tasks of that official authority).

The information you give, or have given, in connection with your application, will be registered in the case handling system of the Immigration Office. The same applies for any information you later give in connection with an application to extend your residence permit, or for a new residence and/or work permit in the Faroe Islands.

Some of your data might be registered by the Danish authorities, e.g. when the Immigration Office requests the Danish Immigration authorities for a binding recommendation.

We process the following categories of data about you:

- General personal data, such as: information about your name, civil registration number (p-tal), citizenship, occupation, education, family, financial information and whether you have committed any legally punishable offences.
- Sensitive personal data, such as: health information and biometrical data, with the purpose of identification.

We can disclose your data to the following recipients

The Immigration Office can pass on your data to your sponsor (e.g. your employer, your former employer, place of study, host or family member), the Danish Agency for International Recruitment and Integration (SIRI), the Danish Immigration Service, the Danish Immigration Appeals Board, the police, the Ministry of Foreign Affairs of Denmark, the municipalities, the Danish Security and Intelligence Service and the Danish Defence Intelligence Service, the public prosecutor and Statistics Faroe Islands.

In isolated instances, the Immigration Office also passes on your data to other public authorities, private sector organisations and foreign organisations and authorities, when necessary in order for us to exercise our official authority.

The Immigration Office shares data when necessary in order for us to exercise our official authority, including when legally obliged to share information. Útlendingastovan only shares data via email if it can be done in accordance with the standards of data encryption set by the Data Council.

What is the origin of the data we process about you?

The personal data that the Immigration Office processes about you have been provided by you in this application form. We will also process data you may submit to your case later.

In addition to this, we will process data obtained from:

- any of your previous applications submitted to the Immigration Office,
- searches in registers, such as: the Income Register of the Faroese Tax Authority
- other authorities, such as: the National Register, municipalities, SIRI, third-parties, or sponsors, such as: your au pair- or internship host, employer or educational institutions
- any person applying for a residence permit based on your grounds for residence on the Faroe Islands, and this person's previous cases with the Immigration Office.

Storage of data

The Immigration Office will store your personal data for as long as necessary to enable us to carry out our tasks in relation to establishing or defending a legal claim to residence.

Data submitted as part of an immigration related matter can be stored for use by the immigration authorities later. This means that the data can be part of the basis for future decisions regarding applications for extension of a residence permit, when revoking a residence permit, for verification and spot checks, when deciding whether a permit has lapsed, in relation to applications for permanent residency and for naturalisation, and in cases concerning any family members.

In practice, this means that the Immigration Office will store your data for the period of your 'lifecycle' – i.e. your entire life. Basic data regarding your stay in the Faroe Islands, e.g. when and why you have been granted a residence permit and information on other decisions made by the Immigration Office regarding your residence, will not be erased.

Finally, it must be mentioned that the data will be transferred to the Faroese National Archives, in accordance with the Faroese Archives Act.

Your rights

Under the Faroese Data Protection Act, you have rights in relation to our processing of data about you:

The right to know what kind of data we process about you

You have the right to ask what kind of data we are processing about you and be granted access to these data. If there are other regulations, which provide you with greater access than the Faroese Data Protection Act affords, your request for access will be processed in accordance with these regulations as well. These additional regulations may include those contained in the Public Administration Act that governs freedom of information requests.

The right to rectification (data correction) and the right to have your data erased

You have the right to request that corrections be made to personal data about you that you find to be inaccurate. In specific situations, you also have the right to have your data erased. As a rule, information can only be erased if it is not necessary for the processing of your case, as the Immigration Office is obliged to record and register information in accordance with the Public Administration Act.

The right to restriction of processing

In some situations, you have the right to restrict the processing of your personal data. Where processing has been restricted, the Immigration Office may thereafter, except for storage, only process your data with your consent, unless the purpose of the processing is to establish or defend a legal claim, to protect another person, or for reasons of important public interest.

The right to object

In some situations, you have the right to object to the otherwise legal processing of your personal data. This means that you can request that your data is erased, corrected, or restricted.

You can read more about your rights in the Faroese Data Protection Agency's guidelines at www.dat.fo/english. If you would like to make use of your rights, contact the Immigration Office.

Complaints to the Data Protection Agency

You have the right to submit a complaint to the Data Protection Agency, if you are dissatisfied with the way we process your personal data. You can find the contact information for the Data Protection Agency at www.dat.fo/english.

D. Verification and spot-checks

Your case may be selected for a spot-check. The spot-check aims to verify the following:

- The accuracy of the information you have given.
- Whether you meet the conditions for a residence and/or work permit if you are granted one.
- Whether you are staying and/or working in the Faroe Islands without the necessary permit.

The verification may involve the Immigration Office contacting other authorities and checking public registers.

You may be asked to send us further information.

9. Consent to let the Immigration Office share information from my case with my employer

When necessary in order to process your application or as part of later verification and spot check procedures of your stay in the Faroe Islands, the Immigration Office can, without your consent, share information about you with your employer. For instance, it may be necessary for the Immigration Office to verify the accuracy of the information you have provided in the application. Please note paragraph C "Information on how we process your data" in section 8 "Sworn declaration and information".

In certain instances, it will sometimes ease the processing of your case if the Immigration Office can, to a greater extent, share information about your personal circumstances with your employer (e.g. if we cannot get in touch with you). If you would like the Immigration Office to be able to share information with your employer, you must give your consent below.

If you do not wish to give your consent to let the Immigration Office share information in these situations, we will instead obtain the information from you (the applicant) and abstain from sharing information with your employer. This may result in a longer processing time for your application.

You can withdraw your consent at any time. If you wish to withdraw your consent, you must inform us. You can find our contact information at www.utlendingastovan.fo/en.

(tick the box)

I hereby consent to let the Immigration Office share information about me with my employer to ease the processing of this application.
